## Memories

---

## **First day on the lawn**

**We laughed until dusk outside the auditorium and somehow  
already felt like a team.**

*— Ally*

---

**I still have the group photo from that night.**

*— Cee*

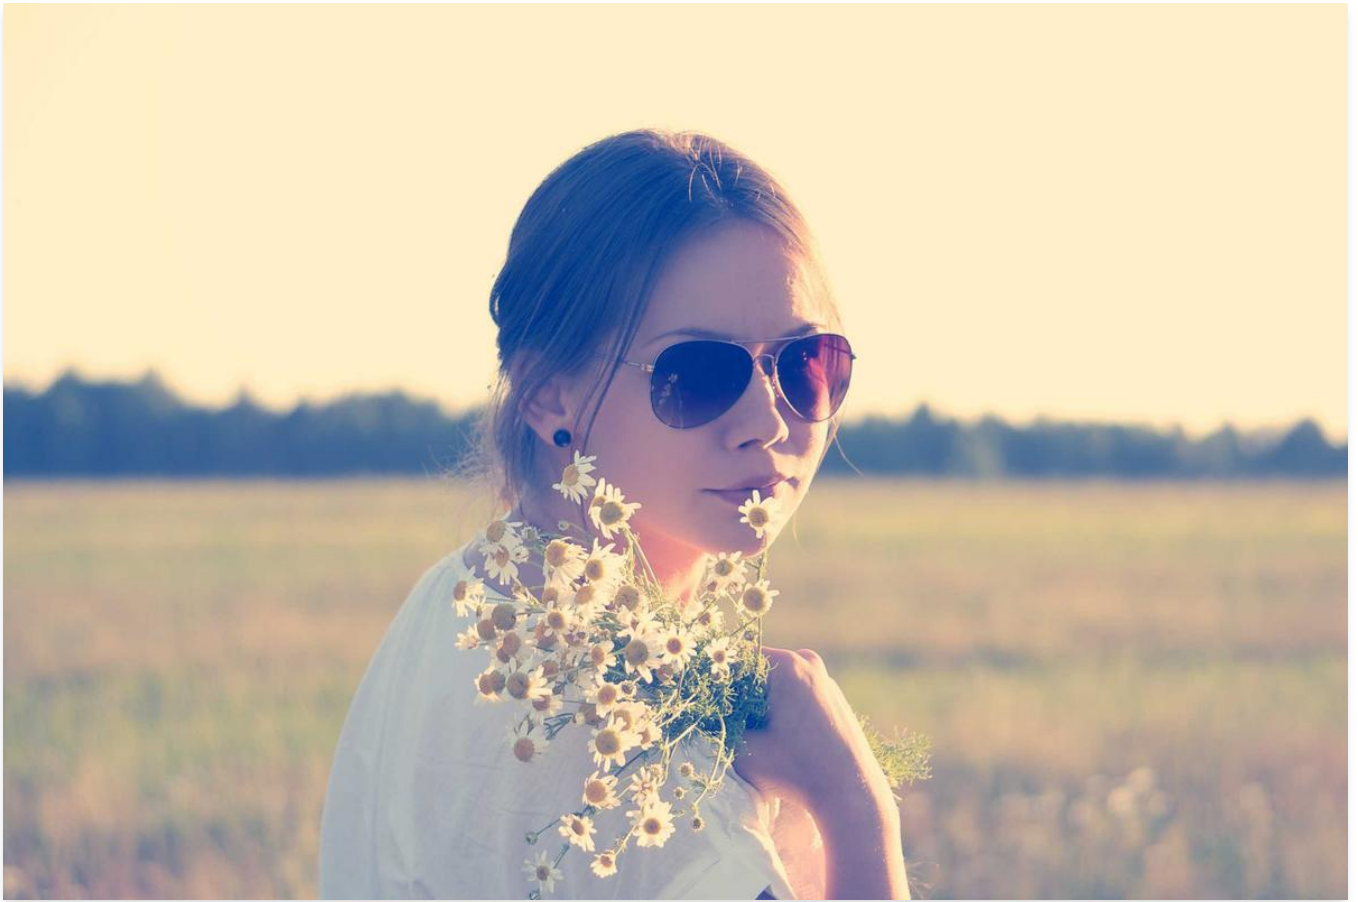

**Send it to the yearbook channel!**

*— Bobby*

**That day still feels like the start of everything.**

*— Ally*

## Midnight project crunch

Someone ordered pizza at 1am and the whiteboard never looked the same again.

— Bobby

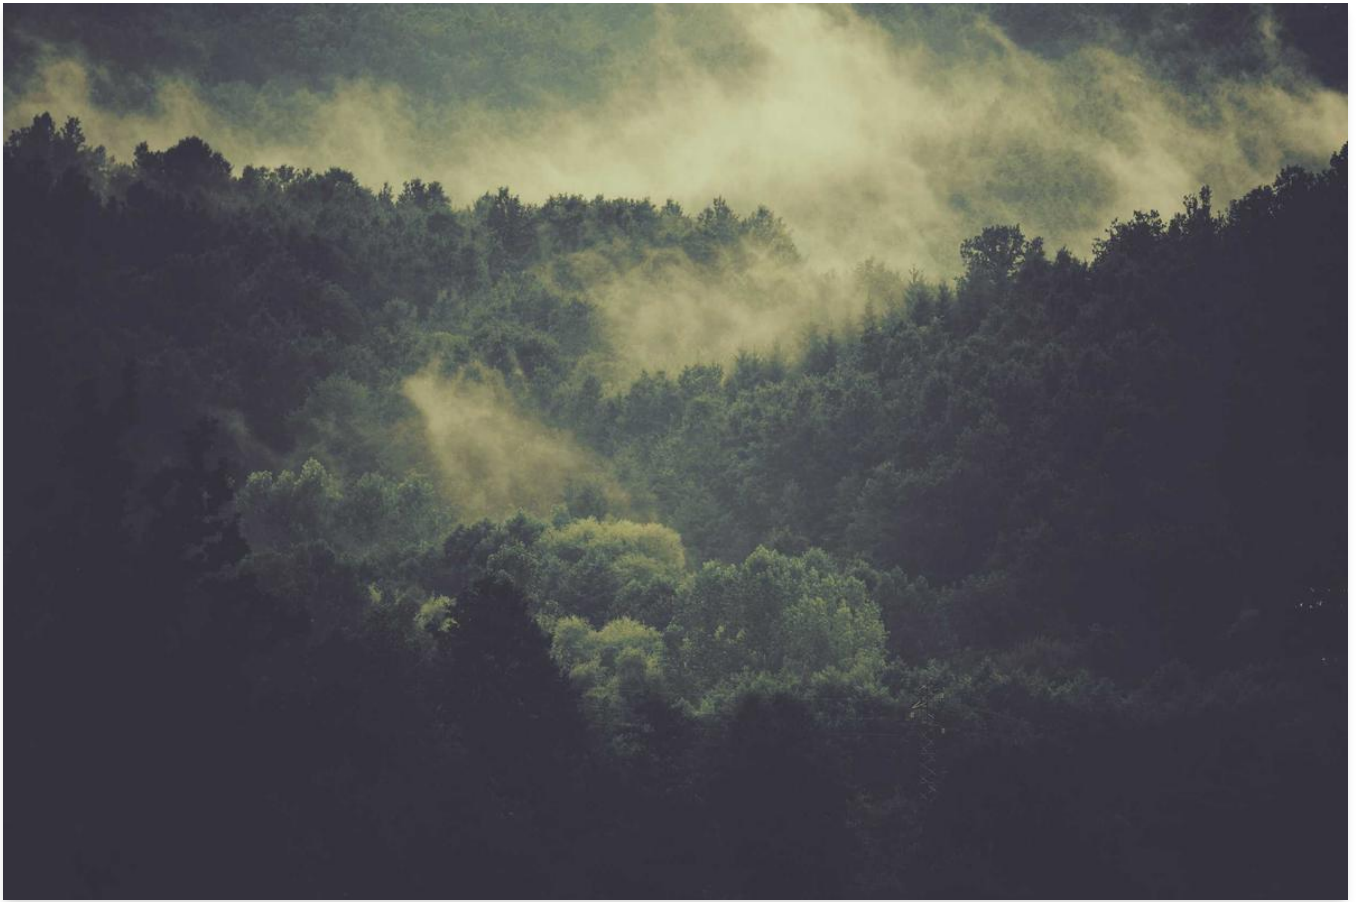

The whiteboard scars remain. Worth it.

— Dee

Who else remembers the 2am victory dance?

— Eve

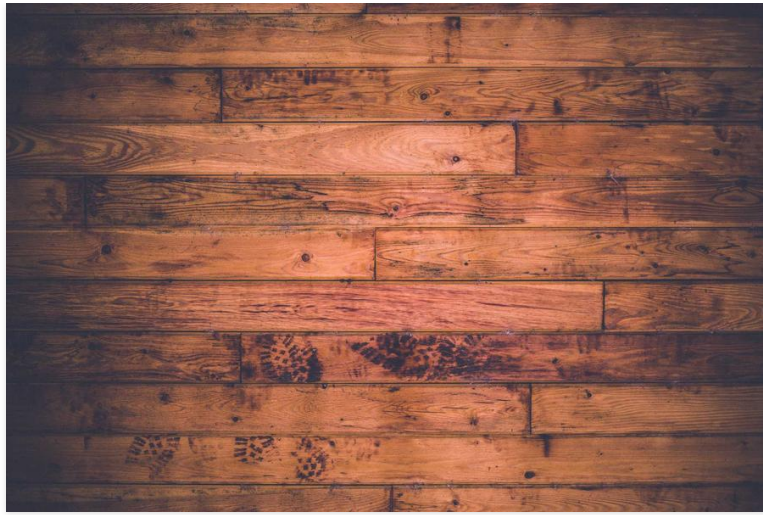

## **Auditorium dress rehearsal**

Cue lights, missed lines, and a standing ovation from the empty seats.

— *Cee*

---

**Encore energy even with empty seats.**

*— Ally*

## **Rainy Tuesday coffee run**

The whole squad showed up soaked — and still finished the deck.

— *Dee*

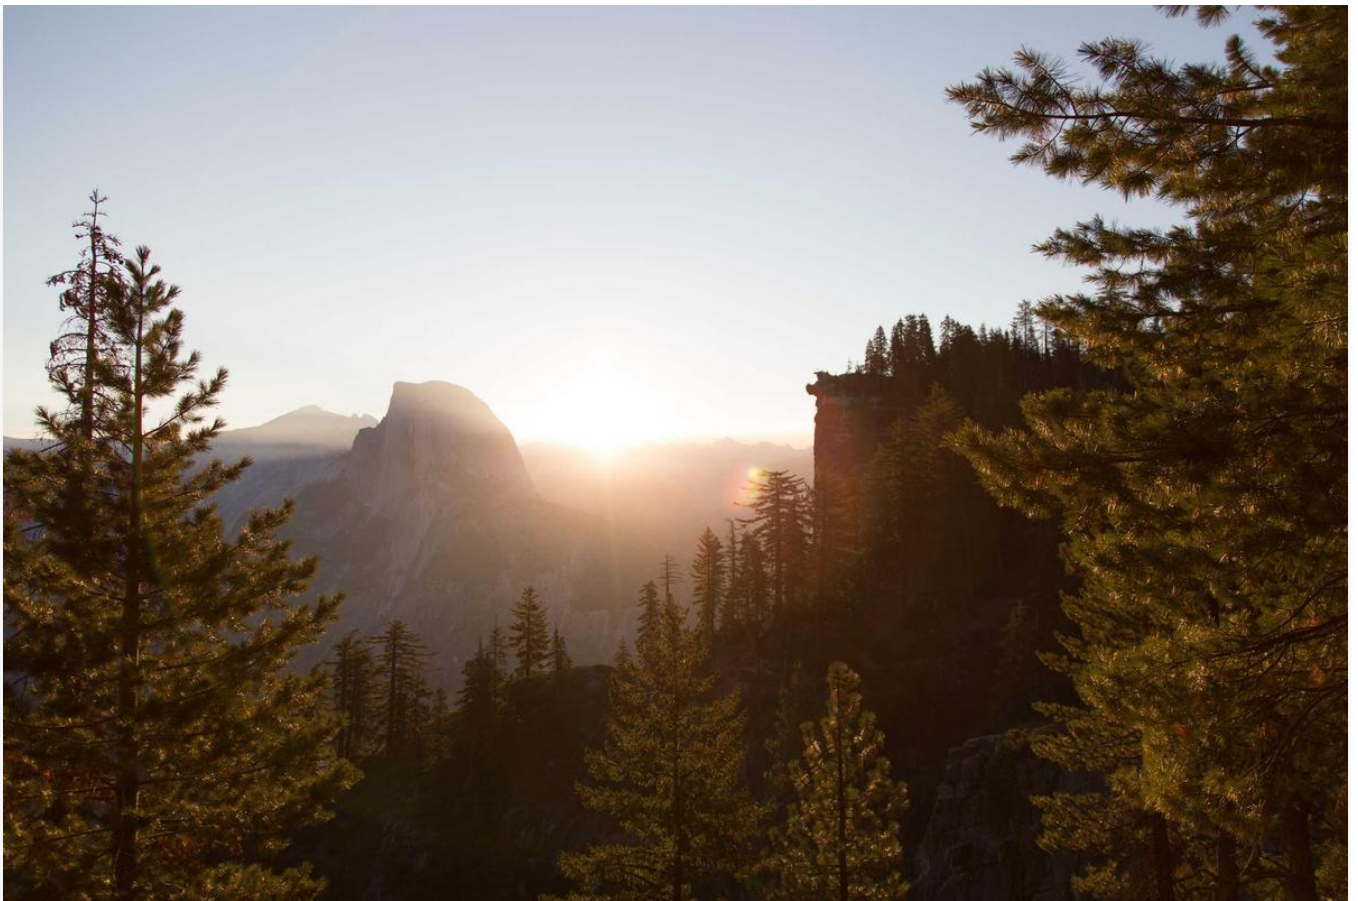

---

— *Cee*

Still smells like wet jackets and good ideas.

— *Bobby*

## **Last lecture before summer**

We signed each other's notebooks and promised to keep the group chat alive.

— *Eve*

---

Notebook signatures forever.

— *Dee*

Group chat is still alive — barely.

— *Eve*
